

Heli Fishing Experiences

Nautilus Aviation heli-fishing charters are tailored to your fishing requirements. Imagine having your own helicopter and experienced pilot to take you fishing in places inaccessible by any other means and if time is limited, a half day's fishing in the remote coastal Estuaries could be the highlight of your stay. Includes gourmet lunch, bait and tackle. Whether you are an experienced or novice angler, this fishing adventure will take you to new fishing heights. Explore some of the far north's most exclusive fishing locations. Activities include fishing, sightseeing, crocodile-spotting or just walking along an isolated beach where the only footprints will be your own.
